The NEW News and Views!

A note from the President:

Welcome to the new Third Thursday News & Views! We’re taking a new approach this year to communicating with NYSACCE4-HE members. We’ll be publishing a brief, timely, and hopefully useful monthly publication. We’re excited about this new format! Please let your District Representatives know what you think of News & Views.

As we start our new year I’d like to highlight our Purpose and Objectives.

The PURPOSE of NYSACCE4-HE shall be to promote, strengthen, enhance and advocate 4-H youth development education and volunteer development in partnership with the National Association of Extension 4-H Agents (NAE4-HA).

And our OBJECTIVES are:

- To enhance the professional status of CCE personnel engaged in youth and volunteer development.
- To encourage staff development that meets the present and emerging needs of the youth and volunteer development profession.
- To encourage and facilitate research in the area of youth and volunteer development.
- To advance the welfare of CCE personnel.
- To strengthen communications and to promote cooperation among all CCE personnel.

The Purpose and Objectives of NYSACCE4-HE are clear. Let’s keep these things in mind and have a great year!
