

FIRST Robotics & 4H Celebrating NYS Youth Achievements in Math, Science and Technology!

Come Learn all About Starting a FIRST Robotics team at Your 4H Club!

FIRST Robotics Competition
For High Schools

FIRST Tech Challenge
For High Schools

FIRST LEGO League
For ages 9-14

Jr FIRST LEGO League
For ages 6-9

FIRST (For Inspiration and Recognition of Science and Technology) and 4H are proud to invite you to visit the FIRST Robotics Exhibition at the 4H Youth Building. This exhibition celebrates the beginning of a new partnership between 4H and FIRST geared at bringing access to FIRST Robotics for youth in 4H Clubs around the nation!

NYS Currently participating students, parents, teachers will be available to share their experiences with you and show you their robotics inventions.
